Welcome to the Verein zur Überwindung der Schwerkraft e.V., (Association for the Overcoming of Gravity) in short Vuesch! We are a colorful group of acrobats of all kinds: partner acrobats, jugglers, aerial acrobats, clowns and more ...

We have several rooms: the large "flight room", the smaller "movement room", the small room for the team members and the tiny prop room. You are in the "material and equipment warehouse" of the former Reichsausesserungswerks (RAW). We rent this space from our parent club the RAW Temple e.V..

We are a self-organized club, so we have not only our own work to do, but must also take care of our planning, organization and finances. We do everything on a voluntary basis. But of course our main purpose is to train and to offer others the opportunity to do the same.

The Kinderzirkus Zack (Children's Circus) is the junior section of Vuesch and offers classes almost every afternoon.

Vuesch members should be those who want to use the premises during the open training times. What is involved?

- Involvement in maintenance of the premises, both financially and practically by, for example, taking out the garbage, and being responsible and clean in the rooms.
- Occasionally participating in construction or clean-up
- Participating in the annual General Assemblies.
- In winter, heating costs, regardless of the membership fee, are borne by all users of space.

In the Vuesch team are members who decide to put more time and energy in the Vuesch. In return for this time and energy, team members have many more training times available and have the opportunity to give courses as well. Of course, the team members also take more responsibility for the finance, the schedule, and many other worries. The team members meet monthly.

The membership dues are essential for the club. The rent must be paid, the premises maintained and, if possible, new equipment purchased.

The contribution is 18€ per month. If someone absolutely can not afford to pay the contribution, there is a different solution. In this case, please talk to someone from the then Finance AG (finanzAG@vuesch.org).
